

BA (Hons) Interior Design: Things to do at home

- Do some drawing tutorials online. This will introduce you to the basic conventions of drawing plans, elevations, sections, projections and perspective:
https://www.designingbuildings.co.uk/wiki/Floor_plan
https://www.designingbuildings.co.uk/wiki/Section_drawing
https://www.designingbuildings.co.uk/wiki/Drawing_projections
https://www.designingbuildings.co.uk/wiki/The_origins_of_perspective#Introduction_to_perspective
<https://design.tutsplus.com/articles/technical-drawing-for-beginners-one-point-perspective--vector-21839>
- Draw and write about some of your favourite projects.
- Try some online student competition briefs:
<https://www.thersa.org/action-and-research/rsa-projects/design/student-design-awards/design-briefs>
<https://studentcompetitions.com/>
- Start a digital or physical material resource book, where you can collect information and images about interesting and innovative materials, products, furniture etc.
- Look at design magazines and journals, such as:
 - Domus: <https://www.domusweb.it/en.html>
 - Dezeen: <https://www.dezeen.com/>
 - Detail: <https://issuu.com/detail-magazine>
 - Frame: <https://www.frameweb.com/>
 - Architects' Journal: <https://www.architectsjournal.co.uk/>
 - Wallpaper: <https://www.wallpaper.com/>
 - Interior Design: <https://www.interiordesign.net/>
 - RIBA Journal: <https://www.interiordesign.net/>
 - RIBAPIX: <https://www.architecture.com/image-library>
