BETTER TOMORROWS START TODAY

UNIVERSITY COURSES AT COLLEGE 2023

OPENEVENTS

THE COLLEGE MERTHYR TYDFIL

The College has five open days each year, including a dedicated HE Open Event. Students can also access a 24/7 Virtual Open Day to discover more about courses, view videos, take virtual tours and listen to learner testimonials. You can find all you need to choose the course right for you. Visit: www.merthyr.ac.uk

BRIDGEND COLLEGE

You can attend open events where you'll be able to see our facilities, meet tutors and find out about our courses. Staff from our Student Services, Additional Learning Needs and Student Wellbeing teams will be able to answer your questions on finance and funding, student life at the College and the support available to you. Visit: www.bridgend.ac.uk

CARDIFF AND VALE COLLEGE

CAVC holds regular Open Events throughout the year. Visit www.cavc.ac.uk/openevenings for full details and dates. You can also access a Virtual Open Day at the College any day or time. Get your questions answered and learn about the courses and support on offer. Visit: www.cavc.ac.uk

COLEG Y CYMOEDD

Our Open Events are a great way to find out more about our courses and the career you want. Our expert staff are available and able to answer any questions you may have. Advice and guidance is available throughout the year, please get in touch and find out more about subject areas. Visit: www.cymoedd.ac.uk/open

COLEG GWENT

The College is running a mix of virtual and on-campus events. You can take a tour of its campuses, find out about subject areas and learn about student support, finance and college life. You can also hear other students' experiences. Visit: www.coleggwent.ac.uk

GOWER COLLEGE SWANSEA

The College runs open evenings and progression events through the year. You can visit our facilities, take a tour of our campuses and University Centre and speak to staff to help find the right course for you. You can find more information about our Higher Education Courses by making an enquiry at www.gcs.ac.uk/he-enquiry-form or come into the College to speak to a member of our HE Team. Visit: www.gcs.ac.uk

NPTC GROUP OF COLLEGES

The College runs a range of events throughout the year. Expert staff are on hand to give specialist advice and guidance on courses, applications and college life. Visit: www.nptcgroup.ac.uk

UNIVERSITY COURSES AT COLLEGE

If you want an exciting career doing something you love, study a USW course from the comfort of your local college. You could change your tomorrow.

ON YOUR DOORSTEP

USW works with colleges throughout south Wales, so you can study a university course at college. You could save time and money, continue working, juggle family life and stay closer to home. **Find a College on page 6.**

FLEXIBLE COURSES

It's easy to fit study around your life. Many courses are available full-time or part-time, and some are delivered in the day and others in the evening. **Find a course starting on page 20.**

EASILY ACCESSIBLE

If you don't have the entry requirements to study a university degree, you can study a HNC, HND or Foundation Degree first. Our partner colleges also offer Access to Higher Education courses. **Read more on page 16.**

FINANCIAL SUPPORT

Studying may cost less than you think. Welsh students studying a higher education course benefit from financial assistance and you may be eligible for help with tuition fees or living costs. **Read more on page 14.**

EXCITING CAREERS

A university qualification can mean better job opportunities. Many courses include a work placement and as a USW student you can access USW Careers. **Read more on page 11.**

USW FAMILY

Whether you're returning to learning, or continuing from school or college, you will be welcomed in to the USW family.

PARTNER COLLEGES

THE COLLEGE MERTHYR TYDFIL

Students can study courses from HNDs and Foundation Degrees, to Honours degrees and professional qualifications. Subjects include creative industries, business, computing and IT, care, english and history, public services and sport. The College offers excellent facilities, teaching, support and employer links. Students also benefit from small class sizes. [Read the course list on page 22.](#)

01685 726 000
www.merthyr.ac.uk

BRIDGEND COLLEGE

The College is an award-winning college that has around 300 students studying USW courses on a full or part-time basis. Subjects include Care, Childhood and Education, Engineering, Animal Care, Horticulture and Equine. [Read the course list on page 28.](#)

01656 302 302
www.bridgend.ac.uk

CARDIFF AND VALE COLLEGE

CAVC offers qualifications in partnership with universities in many subjects, from HNDs to PGCEs. The College offers exceptional support, a personal approach to teaching, and facilities which replicate real-world environments. Courses meet the needs of employers and prepare students for their career. [Read the course list on page 30.](#)

02920 250 250
www.cavc.ac.uk

COLEG GWENT

Coleg Gwent strives to make university study accessible to all by offering a broad range of higher education options to learners, which include Foundation Degrees, HNDs, PGCEs and BSc top ups, delivering to more than 600 USW students on a full and part-time basis. Students benefit from excellent facilities, experienced teaching staff and established links with employers. Courses are delivered across five campuses in Monmouthshire, Torfaen, Blaenau Gwent, Newport and Caerphilly. UCAS not required and direct applications encouraged. [Read the course list on page 24.](#)

01495 333 777
www.coleggwent.ac.uk

COLEG Y CYMOEDD

Based across four campuses, the College offers excellent teaching, industry links and full and part-time study options. Students can study HNDs, Foundation Degrees, Honours degrees or teaching training. Subjects include business, creative production arts, costume construction, photography, games art and design, education, learning and development, ICT and surveying.

[Read the course list on page 26.](#)

01443 662 800
www.cymoedd.ac.uk

GOWER COLLEGE SWANSEA

The College provides quality higher education courses. Its bespoke University Centre for students on higher-level courses includes classrooms, a library and a common room. Courses include business, education, criminal justice and science.

[Read the course list on page 20.](#)

01792 284 000
www.gcs.ac.uk

NPTC GROUP OF COLLEGES

The College prides itself on offering *More than just an Education*. Students are taught in small groups and have a personal learning experience.

The College has campuses in Neath, Afan, Brecon, Newtown and Llandarcy. It offers courses in business, childhood studies, substance misuse and teaching.

UNIVERSITY FOR

TOMO

USW has campuses in Cardiff, Newport and Pontypridd. If you top-up your qualification to an Honours degree with us, you could study at one of our campuses and be eligible for our progression bursary.

USW PONTYPRIDD

USW Pontypridd is our largest campus and made up of two sites: Treforest and Glyntaff. Surrounded by green open spaces, our students love the community atmosphere. You'll find everything you need on campus – your classes, the library, Students' Union, cafes and bars.

www.southwales.ac.uk/pontypridd

USW CARDIFF

USW Cardiff is right in the city centre – the perfect location for our creative industries students. You'll also find creative study spaces, the library and Students' Union – all in one impressive building.

www.southwales.ac.uk/cardiff

BROW

USW NEWPORT

USW Newport is in the heart of the city. It is one of the University's most iconic buildings and couldn't be in a better location to embrace city life. Halls of Residence are just a few minutes walk away, and Friars Walk is opposite the campus – overflowing with shops, bars and restaurants.

www.southwales.ac.uk/newport

ADVICE FROM USW

The Student Recruitment Team at USW is available to help you. If you have questions about studying, either at college or the University, contact us.

schoolsandcolleges@southwales.ac.uk
0345 576 0751

A SUCCESSFUL TOMORROW

A university course is an investment in your future. It can improve your career prospects, and for some jobs a degree is essential. We can help you succeed and achieve your full potential.

WORK PLACEMENTS

Our courses are designed in conjunction with employers. We believe work experience is invaluable, which is why our Foundation Degrees have work placement opportunities built in to them. This allows you to put theory into practice and looks great on your CV.

GRAD EDGE AWARD

This award is your chance to be recognised for developing the skills or attributes employers value when they search for graduate recruits. Getting involved during your studies will help give you a competitive edge and stand out from the crowd when you start job hunting. Visit:

www.southwales.ac.uk/careers

GRADUATION

When you've successfully completed your Foundation Degree, HNC, HND, CertHE or Honours degree, you can attend a graduation ceremony. Students who study at Cardiff and Vale College, Coleg y Cymoedd, Coleg Gwent or The College Merthyr Tydfil are invited to a graduation ceremony at the University of South Wales. Those who study at Bridgend College and NPTC Group of Colleges will be invited to a ceremony hosted by their College. For further information about our graduation ceremonies, visit:

www.southwales.ac.uk/graduation

SUPPORT FROM USW AND YOUR COLLEGE

- Assistance with writing a CV
- Application and interview preparation
- Advice on career choices or further study
- Work experience tips
- Support with job hunting
- Help working and studying overseas
- Careers fairs, events and workshops

“

**I STUDIED A FOUNDATION
DEGREE, AND PROGRESSED TO
THE TOP-UP AT COLLEGE. BY
GRADUATION, I WAS READY FOR
THE INDUSTRY, AS I HAD GREAT
WORK EXPERIENCES.
BALANCING ACADEMIC AND
PRACTICAL WORK WAS EASY,
AND I HAD EXCELLENT
SUPPORT FROM MY TUTORS.**

Melissa Humphries, Foundation Degree
Costume Construction for Screen and Stage,
Coleg y Cymoedd

USW

FAMILY

As a student studying a USW course at your local college, you will get the best of both worlds. You can use the support and facilities on offer at the college, as well as USW.

LEARNING SUPPORT

Our partner colleges offer various services and support, and you will also be able to use the resources at the University of South Wales. As a USW student, you can use our libraries and will have a University IT account and student email. We have a library on each campus with long opening hours and self-service facilities. We have thousands of computers across our campuses and the latest learning technologies and resources.

SUPPORT AT COLLEGE

You will have access to the various support services available at the college where you will study. To find out what support is available, contact your college or book an Open Event to take a look around. Your college may even refer you to an Advice Zone at USW. Visit: www.southwales.ac.uk/advicezones

SUPPORT AT USW

If you top-up to a full Honours degree at the University of South Wales, you can access all the support and facilities. We have Advice Zones, a Disability Service, Wellbeing Service, Health Clinics, USW Careers, Student Money Advice Team, Chaplaincy and Study Skills Centres. We also offer student accommodation and childcare facilities at USW Pontypridd.

WELSH OPPORTUNITIES

You can continue to use your Welsh language skills while studying a USW course. Some courses offer bilingual opportunities, and you can submit your work in Welsh, even if your course isn't taught in Welsh. You could also choose a Welsh-medium work experience placement. To find out more, contact the Bilingual Champion at your college.

IMPRESSIVE FACILITIES

Many of our partner colleges have benefitted from huge investment over the past few years. They have impressive facilities and teaching spaces.

USW SPORT

Even though you will study at your local college, you can still play for the University's sports teams in the British Universities and Colleges Sport (BUCS) league. There are 60 teams to choose from, including football, rugby, netball and hockey. To qualify you must be over 18 and study at least 60 credits per year. Playing in the BUCS League, means you may train at USW Sport Park. The facilities are so good that professional teams regularly use them, including the Wales football team and touring British Lions.

STUDENTS' UNION

You can become a member of the Students' Union at the college where you study, as well as the Students' Union at the University. The Students' Union at USW hosts a variety of events and activities throughout the year. There are plenty of clubs and societies to get involved with, based across all our campuses. Our societies can help you discover new hobbies and interests and meet like-minded people. Visit: www.uswsu.com

Financial assistance is available for students, so studying may be more affordable than you think. Depending on your personal circumstances, you could be eligible for a range of grants, loans and allowances to help with tuition fees and living costs.

COURSE FEES

At the time of production, course fees or student financial support in Wales has not been confirmed for 2022/23 entry. Before you apply, we recommend you check our website for the latest information on fees and student support. Visit: www.southwales.ac.uk/money

FURTHER FINANCIAL SUPPORT

Financial support is available through Student Finance Wales, for students living in Wales, or Student Finance England, for students from England. Student finance information, along with how to apply and eligibility checkers, are available online. Visit: www.studentfinancewales.co.uk or www.gov.uk. Search 'student finance' for students living in England.

ADDITIONAL HELP

Once you've completed your University course at your local college, you may decide to top-up to a full-time Honours degree at one of the University's campuses. If you do, you may be eligible for further financial support including our Progression Bursary worth £1,000.*

ADDITIONAL COSTS

As well as paying for books and electronic essentials, there may be additional costs for some courses. This could include field trips, art supplies or studio time. Contact your chosen College to find out more about additional costs.

PROGRESSION BURSARY

We offer a Progression Bursary worth £1,000.*
College students who top-up their HND or foundation degree to a full Honours degree through a top-up course at a USW campus are eligible.

MAKE TOMORROW YOURS

A university degree may be more accessible than you think. If you don't have the entry requirements to study a university degree straight away, you can study a HNC, HND or Foundation Degree.

ENTRY REQUIREMENTS

- Typical entry requirements are detailed below
- If you don't meet the entry criteria, relevant work and life experience may be considered on an individual basis
- Combinations of qualifications are acceptable.
- Other Level 3 qualifications may also be considered, such as CACHE, OCR, City and Guilds, Cskills, NCFE and VTCT
- If you're unsure if you meet the requirements, contact your chosen college

TYPICAL ENTRY REQUIREMENTS FOR HNCs, HNDs AND FOUNDATION DEGREES

- Relevant BTEC Level 3 profile of Merit/Pass or Pass/Pass/Pass; or
- DD at A-level; or
- D at A-level plus D in the Welsh Baccalareate Skills Challenge Certificate; or
- Access to HE (a Pass Diploma with 45 Level 3 credits which are all passes)
- You will also need three C grade or above GCSE passes, including maths and English language or equivalent
- For a top-up course, you will usually need a HND or Foundation Degree in a related subject

ENTRY REQUIREMENTS FOR COLLEGES

- May need a literacy, numeracy or science test
- Some courses require an enhanced DBS check*
- Some professions require particular GCSE grades in certain subjects
- Additional criteria are listed on the course pages on the college website

TOP-UP TO A FULL DEGREE

- All HND and Foundation Degree courses have at least one progression route, so you can choose to top-up your qualification to a full degree
- To gain an Honours degree, you'll study 360 credits, typically over three years full-time
- To top-up your HND or Foundation Degree to an Honours degree will normally involve an extra year studying 120 credits full time or the part time equivalent. Some courses require two extra years of study due to statutory requirements'
- You'll usually need to attend a USW campus to top-up your degree to Level 6 study, although some courses are available at colleges

BECOMING A TEACHER

If you're interested in a career in teaching, we offer teaching qualifications at our partner colleges. Read our course list starting on page 20.

POSTGRADUATE COURSES

Your relationship with the University won't end when you graduate. We offer postgraduate and professional courses to help you progress even further in your career. Visit:

www.southwales.ac.uk/postgrad

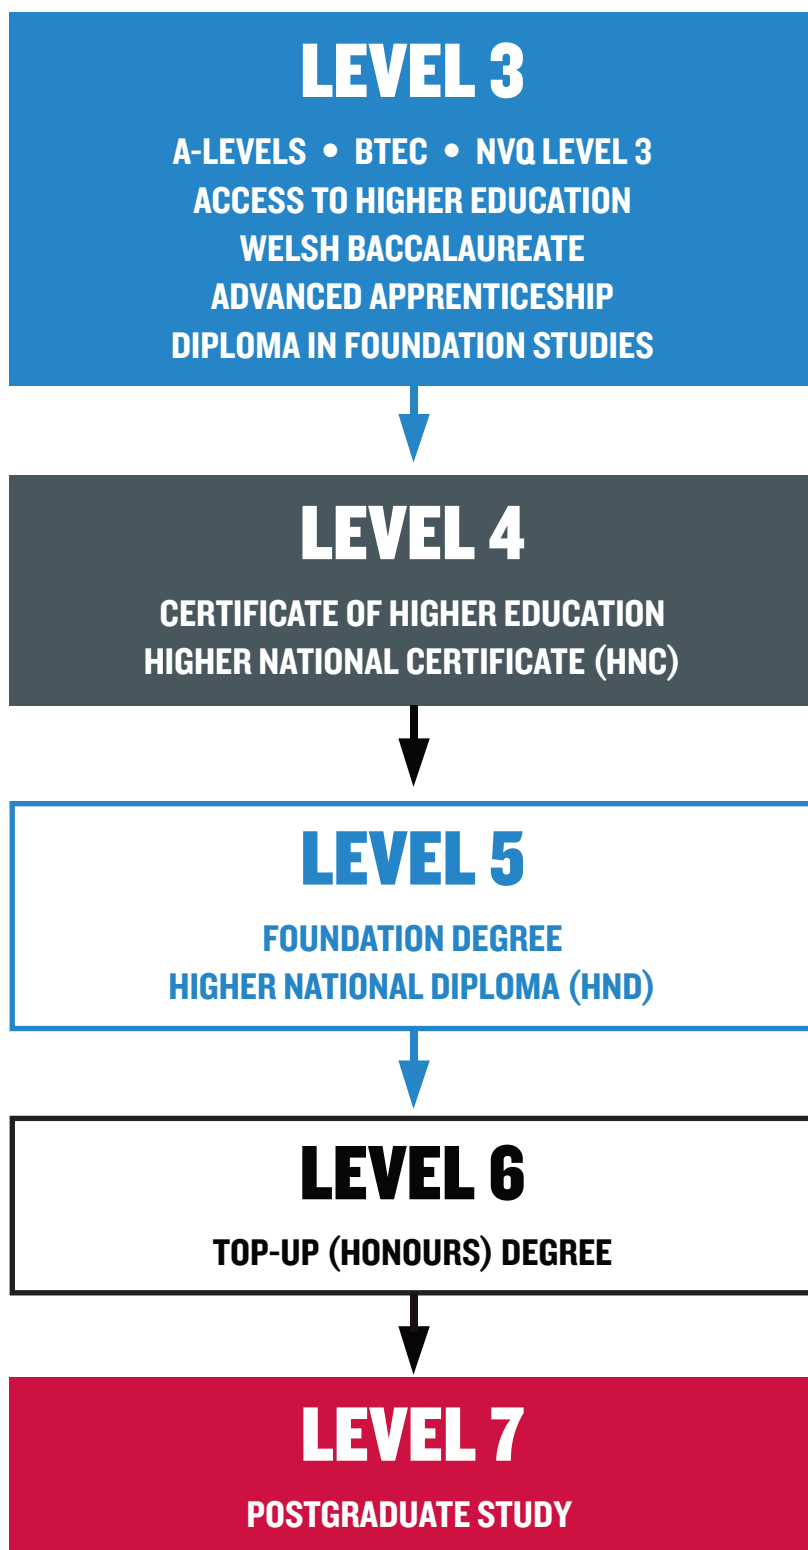

HOW TO APPLY

Please contact your local college to check the application process. Some colleges accept direct applications, made either in person or online. Alternatively, you may need to apply through UCAS.

*Additional costs apply

FIND YOUR TOMORROW

You can study a full Honours degree at a USW campus or follow a University course at a partner college. College courses start at Level 4 with opportunities to progress to an Honours degree and postgraduate study at USW. Possible progression routes are below.

GLOSSARY

FOUNDATION DEGREE

This is a qualification in its own right and you will attend a graduation ceremony after completion. It provides you with skills relevant to industry. Study is combined with employment-based learning, so you learn in the workplace as well as the classroom. On successful completion you will have the option to progress to a top-up degree qualification.

HIGHER NATIONAL CERTIFICATE (HNC) AND HIGHER NATIONAL DIPLOMA (HND)

These work-related qualifications give you the skills to do a particular job. They are vocational, so are appealing to employers, and can count towards membership of professional bodies. They can lead you straight into a career, or you can progress to a Foundation Degree or Honours degree.

CERTHE

A Certification of Higher Education (CertHE) is a Level 4 qualification awarded after one year of full-time higher education study.

DIPHE

A Diploma of Higher Education (DipHE) is a Level 5 qualification awarded after two years of full-time higher education study.

HIGHER EDUCATION (HE)

Once you've completed further education at college or sixth form, institutions such as universities and colleges provide higher education programmes.

HONOURS DEGREE

A course studied at university or a further education college. A full-time BA or BSc Honours degree will normally last three years and you'll study 360 credits.

UCAS

The abbreviated term for the Universities and Colleges Admissions Service. UCAS processes applications to UK universities and colleges for full time undergraduate courses. Some of our partner colleges don't use UCAS and accept direct applications instead – contact the college directly for details.

STUDENT FINANCE WALES

The funding body that will assess your financial support if you live in Wales.

TUITION FEES

These fees cover the cost of your study, and may vary depending on what and where you study. All eligible students can apply for a Tuition Fee Loan, and will not pay this back until they are earning over a certain amount.

BURSARY

Money provided towards the cost of studying that does not need to be paid back.

PROGRESSION/TOP-UP DEGREE

This is usually one extra year of full-time study or two years part-time but could be more depending on statutory requirements. You would progress or top-up from a Foundation Degree or equivalent, to a full Honours degree. Progression and top-up courses are usually studied in the same or related subject as the Foundation Degree.

OUR GOVERNMENT

CHARTER

The Student Charter is developed jointly by the University and Students' Union. It explains the University's commitment to working in partnership with you to provide a high-quality student experience and help you achieve personal and academic success: **www.southwales.ac.uk/values**

WELSH LANGUAGE

You can improve and use the Welsh language while studying a USW course. Students can study some courses bilingually. If there are no bilingual opportunities, students can still submit their work in Welsh. You can also choose a Welsh-medium placement for work experience. To find out more, contact the bilingual champion at your college.

Visit: **www.decymru.ac.uk**

ACCESSIBILITY

The University of South Wales is committed to developing websites and publications that are fully inclusive. We make every effort to ensure all pages on the website and in publications comply with accessibility guidelines. Due to the size and complexity of the University's web presence, this is an ongoing process. To make our publications as accessible as possible, we offer two ways of accessing, viewing and reading them. You can either read them through the ISSUU platform or view online and download a PDF. The PDF file has been developed to be accessible. We then use this exact file and upload it to ISSUU to retain as many of the accessibility features as possible through the platform. To read what accessibility features have been implemented within the PDF, please visit our website. If you have any questions or feedback regarding the accessibility of this website or our publications, or if you experience any difficulty, please contact us.

For help with accessibility, please e-mail:
accessibility@southwales.ac.uk

For help with disabilities or additional needs, please e-mail:
disabilityadviser@southwales.ac.uk

BEFORE YOU APPLY

The University regularly reviews its portfolio of courses to ensure we provide the best quality possible. We also update and revise course content as necessary to ensure it remains relevant and current. We strongly advise applicants to check our partner college websites and our website for the latest information on courses, course content, entry requirements and additional costs before submitting their application.

USEFUL INFORMATION

ABOUT THIS GUIDE

This guide provides general guidance and does not form part of any contract. The information given has been produced well in advance of delivery of the courses outlined for students due to enter the University in 2022/23 academic year. While it is believed to be correct at the time of production, our website, and/or partner college websites should be checked for the latest position. The University reserves the right to amend or discontinue courses, or alter facilities, as a response to circumstances beyond its control or where it considers it reasonably necessary to do so. The University will endeavour to respond to change by consulting with those affected and/or taking remedial actions to help them. For details on fees and funding and for the latest information visit: www.southwales.ac.uk/money

QUALITY ASSURANCE

The QAA diamond logo and 'QAA' are registered trademarks of the Quality Assurance Agency for Higher Education and demonstrate that the University has undergone independent review of the standard of higher education provision, and achieved a successful result.

DESIGN

Produced by Future Students. Many thanks to all those who helped with this project.
